What is the Finance Leadership Development Program Internship?

The Finance Leadership Development Program (FLDP) Internship exposes you to the day-to-day functions of a wide range of businesses as you learn what it takes to analyze and manage the financial aspects of a multibillion dollar company.

In this program, participants learn and contribute to value-add projects as they hone their skills in business planning, financial analysis, cost analysis, corporate accounting, internal controls or auditing.

The internship program is designed to identify top candidates for the Finance Leadership Development Program.
