Procurement Leadership Development Program
Healthcare, Industry and Infrastructure & Cities Sectors

Do you want to be responsible for the sustainability of our product line and ensure that we provide U.S. businesses with the environmentally sound goods and services they need?

What is the Procurement Leadership Development Program?
In the Procurement Leadership Development Program (PLDP), you will have the opportunity to explore the following career paths: Strategic Procurement, Procurement Controlling and Reporting and Supplier Quality.

The program includes instructional sessions, hands-on experience, exposure to multiple job positions, and training in leadership and business skills.

You will learn:
- tactical procurement
- procurement controlling and reporting
- strategic procurement and supplier quality

The program is a full-time position with benefits and is designed to create a sustainable career path with Siemens.

Why Siemens?
Through a career at Siemens, students and recent graduates will receive top-of-the-line training, develop professional skills and be at the forefront of engineering innovation. Here, the opportunities are limitless.

Siemens employs approximately 60,000 people in all 50 states of the U.S. Siemens AG has a 165-year heritage of innovation and employs approximately 360,000 people in 190 countries.

Who Should Apply?
We’re looking for people who are resourceful — true problem solvers who challenge themselves to find the most effective and efficient solutions to complex challenges. We provide a platform for those who want to have an impact on the future and contribute to the successes of the company, our customers and the world.

To apply for the Procurement Leadership Development Program, candidates must meet the following requirements:

- Majors: Supply Chain Management, Operations/Materials Management or Business Management
- Graduation Date: Must graduate by the program start date, but no more than one year prior
- Minimum GPA: 3.0
- Relocation and Travel: Must be able to relocate and travel as required by program
- Work Authorization: Permanent work authorization in the U.S. is required

What’s Next?
